### Playing Member

WYMS has been an integral part of my musical life since I started high school- that was 7 years ago! I'll miss the people, venues and events very dearly when I'm away at University!

### Playing Member

In terms of the depth of musicality taught and experienced no school orchestra can even come close. Rehearsals aren't at all dull, on the contrary extremely insightful and fun!

### Parent of playing member

I thought COVID would've put an end to my son's in-person musical experience, but WYMS presented him with an opportunity that has led him to further appreciate the intricacies of Bach, Warlock, Elgar, Tchaikovsky etc.

He has also made new friends and as a parent that is music to my ears!

## Who are we?

WYMS was formed in 2000 in response to requests from local musicians; before, it was the *Wymondham Youth Orchestra*. Over the years we have expanded to also include a highly successful Junior String Group. Our young musicians come from local primary schools and high schools!

## Events & Performances

We pride ourselves for being active in the local community, performing for the people of Norfolk with our extensive orchestral (and ensemble) repertoire. Some of our past events include a '*Little Sweep*' production, summer concerts at Wymondham Abbey and a Beethoven Workshop with Britten Sinfonia. We are also looking to collaborate with other musical organisations!
