# CURRICULUM DELIVERY

With the increased pressures that schools are under, why not let the Music Service take care of your curriculum music provision.

The Music Service can provide a bespoke support package aligned to your school's needs offering a programme of weekly support to enhance your curriculum.

All curriculum delivery will be billed upfront as a single payment at the start of the Academic Year based on a 33 week buy-back duration (this equates to £1,485 per annum per hour of tuition ordered at the rate of £45 per hour). Additional weeks delivery may be arranged on request (based on teacher availability), but these must be pre-booked to avoid disappointment at the start of the Academic Year.

**Charges: £45 per hour**

a member of staff responsible for behavior will need to remain with the class throughout the lesson.

*[Music Service Teacher] has been an inspiration to staff and pupils alike - utterly transforming the quality of provision and we have loved having their incredible expertise with us. They are amazing; linking all their teaching to our curriculum and needs in a faultless way. Completely priceless.*

All After School Clubs will be billed upfront at the start of the academic year.

A member of the school staff must dismiss students at the end of the day.

# GROUP MUSIC MAKING OPPORTUNITIES IN THE COMMUNITY

Ensembles are an important part of learning to play a musical instrument and are often the most enjoyable and socially rewarding part of the process. There are many Group Music Making opportunities across the County where young people can take part in group music making and additional lessons.

The Music Service works towards providing a musical pathway for all its young players for every stage of learning. Further information on opportunities in your area can be found here: <https://www.norfolkmusichub.org.uk/site/about-lead-organisation/ensembles/>
